

THE SPEAKING LIFE

*A reflection on this

(p.2)*

A Letter From The Pastor

BY PR MARK KIYAGA

Praise God brethren, I greet you in the name of Jesus Christ our Lord. I thank the almighty God for the victory He gave you the previous year and for the great and mighty things He is going to do this new year.

Beloved one thing we have to be conscious about are the enemies of faith. One of these enemies are people's words. In Luke 1, God made Zacharias unable to speak because He knew people would discourage him and bring down his faith if he told them what happened. The human tongue can water down one's faith.

Another enemy is the inner voice saying negative things such as "you will never get well or you are too far gone." Realize that this is the devil coming after your faith. In the face of negativity, reply by boldly declaring the truth of God's word over your life. I pray that God silences the voices of those who speak against you.

In Mark 9:17-29, Jesus faced a situation which was a faith shaker. A father brought his son who had been possessed by a demon. The demon in the boy tried to shake Jesus' faith by throwing him down violently and making him appear as if he were dead. Jesus wasn't shaken because He knew that faith is what affirms and ensures that what is hoped for will come to pass.

As you dwell in prayer and the word, you will become spiritually conscious so that you can overcome anything that comes against your faith.

A reflection on this current season of prayer and fasting

BY NANYONGA TRACY

The first question here is ,what is fasting? Fasting is the conscious abstinence from food and certain pleasures for a period of time for the purpose of "uplifting your spirit". During this period of fasting you need to have aims to your fasting. These could include strengthening your prayer and Bible reading life or growing more in love and patience. It could even be asking God to help you have stronger faith.

Prayer and fasting helps us have control over the flesh. It builds our spirit. Your body is a vessel that carries your spirit (your innerman). Your spirit must get strong, but it doesn't get strong accidentally. It is built like a muscle, it gets to grow as much as you feed it.

Home visitations

BY PASTOR MICHAEL LULE

Home visitation receives it's Biblical focus in Acts 20:18-21, 28-31. "You know that I have not hesitated to preach anything that would be helpful to you, but have taught you publicly and from house to house...I never stopped warning each of you, night and day with tears."

When you constantly feed your Spirit on the word, you will find that you will look more like Christ day by day. That's why the period of prayer and fasting is not a hunger strike but a time to feed your innerman. You have to be intentional about reading the word of God and lso meditating on it. Jesus made a prayer for us in John 17:17 "Sanctify them with truth, your word is truth" Whenever we read the word of God we are sanctified (made holy, set apart for God's purposes).

The Redeemed Life church 40 days of prayer and fasting are ending on 17th January 2023.

The purpose of home visiting is to see that God's Word is alive and functioning in the hearts and lives of the members of the church of the Lord Jesus Christ. By this means, the church members are called to and entrusted with the souls of God's people. Home visitations enable the saints to check the spiritual pulse or welfare of each other and the condition of the body of Christ at large.

Be part of our home visitations every Tuesday 5pm-6:30pm

"Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain."

Miracle Offering 2023

Welcome to our FIRST EVER My Miracle Offering. This is an extravagant offering we give to advance the kingdom of God. It is a Year-End Offering dedicated to reaching more people with the gospel through the growth and expansion of our church.

Exodus 35:21 (KJV) And they came, every one whose heart stirred him up, and every one whom his spirit made willing, and they brought the LORD'S offering to the work of the tabernacle of the congregation, and for all his service, and for the holy garments.

Pray and prepare as an individual, family, cell family or company; and let's GIVE BIG in this year's offering.

God's generous gift

BY DANIELLA BIDORHO

God gives us children as an expression of His everlasting love and their presence gives a deep understanding of God's relationship with people.

Proverbs 29:17 tells us that because a child's life is so precious, it must be shaped through love and discipline.

This was the theme for this year's edition of the annual children's camp. It was a three day event that had our children equipped with not only spiritual knowledge but also social skills and training in various disciplines of life such as baking, first aid/emergency response, cooking local food, dancing and singing

Champion Youth

BY DANIELLA BIDORHO

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity. Timothy 4:12

The Champion you are" was the theme for the youth evening service that took place on Sunday 22nd January 2023 in recognition of the great army that the youths are in the Kingdom of God. This session was coloured by an amazing worship session. Pastor Michael the preacher of the day stressed out that a champion never gives up, remains focused on his or her purpose and exercises patient endurance. Even after succeeding in an endeavor, a champion's ultimate source of joy should be the presence of the Lord.

Heartfelt Appreciation goes to the Sunday School ministry leadership and staff for their great efforts. When asked what she had learnt from the camp, one child answered "I have learnt how to turn my wishes into prayer."
